### Working on the project

Did you feel comfortable? Why?	everything was good; every thing is good; it was perfect but a little boring; everyone are very nice; good atmosphere, we had a good time; the atmosphere was funny and enjoyable; because of the atmosphere; I had really good time with great people; because people are very nice and hospitable, I felt happy;
Did you feel involved in the project? Why?	I worked with activities; because all the activities were planned so that everybody had to be involved; I felt involved in the project and it was very interesting; I helped to prepare the project; because I can participate in a lot of activities and it is very funny; I need help the earth;
Were my ideas taken into account? Why?	Part of them, but everybody must make compromises; because we were talking to each other and planning our works; I didn't have ideas;

### Participation

My work during the work-session was:..... Why?	I feel funny,	3,79	9,46
Other students' work during the work session was: ..... Why?	they were very funny and I had a good time with them; we work all togetherand we work very hard;	3,67	9,17
Teachers' attitude to work was ..... Why?	They were nice; they explained us how and what to do very well; we work very hard;	3,86	9,64
Teachers' attitude to students was ..... Why?	They were very communicative; they were friendly and very nice and clear too; they are very patient and nice with us;	4,00	10,00

How could it be improved?	It is now perfect; everything was perfect, maybe the trip could be better; mejorando la organización previa de las actividades; better organization;
Additional comments	girls are really nice; it was a great experience; el mejor viaje de comenius
