Working on the project	
Did you feel comfortable? Why?	The family was very kind; People was very kind; People are very kind; I felt comfortable because evrybody were kind with me; a lot of nice people and good work atmosphere; Nice people and good atmosphere; Good sleeping; the family and the mates were the best; People are good; Good people,, great atmosphere;
Did you feel involved in the project? Why?	People involved me in most of their projects; I took part at every projects. They involved me to participate; We were working toghether like team; It is interesting and great; all the people were with me; We participate at all; It was interesting;
Were my ideas taken into account? Why?	Hope so!; We were listened and the people did the things that we want; I love Comenius because is so fun!;

Participation

My work during the work-session was: 3,4/4 (8,5) Why?	It was very originaly and we work hard before the trip; We worked hard before coming here, I worked on each part of our presentation; I participated quite good; I feel shy;
Other students' work during the work session was: 3,6/4 (9) Why?	Their works were funny and interesting; Their work was excellent and funny; They were also working hard; they were funny; they were the best; They work a lot;
Teachers' attitude to work was: 3,53/4 (8,83) Why?	They watched our work and I think they liked it; they did their job; Someimes the exercise was boring; they helped in everything; It was friendly

EVSTUDENTS EVALUATION MEETING IN RADOMIMYSL 23-27 MAY 2011

Teachers' attitude to students was 3,73/4 (9,33) Why?	They were very polite; They were polite and they were ready to listen to us; They were really nice to us; they were nice; They listened to us a lot; They are nice;
How could it be improved?	We could walk less; Whole time we were talking about recycling rubbish but there were no recycling bins during session. So we didn't have opportunity to recycle. It was enough to have a box for paper; I think it is a good idea that every meeting has another students, because all week is just about introducing, not about really work. I can be great if you join students in same age; With more free time; I think it was a paradox that in this project session weren't been recycling bins; Maybe the same age of the pupils.
Additional comments	I enjoyed a lot, I liked Poland and it was a beautiful experience because I knew new people and traditional things of Poland; I liked this experience. I enjoyed a lot and I learnt some traditional things. I had some difficulties to communicate to the family that hosted me; There were young people thinking about problems from more adult view; It was a nice week; I like this programme a lot;
